

National Engineering Industries to cover vaccination cost for all its employees

Jaipur, 30 March 2021: National Engineering Industries Ltd (NEI), part of USD 2.4 billion diversified CK Birla Group has recently announced that the company has pledged to cover the cost of COVID-19 vaccination for its 2800 employees and their immediate family members.

In the current phase of vaccination drive, people above 45 years of age are being vaccinated. NEI encourages its employees to undertake the vaccine shots as soon as they are available as per their eligibility.

Speaking on this development, **Rohit Saboo, President and CEO, National Engineering Industries Ltd** said, “At NEI, health and safety of our employees is our topmost priority. Our employees have been our strength and we would want to thank them for their unwavering support during tough times like the recent pandemic. Therefore, it is our duty to protect them and their families by taking necessary steps towards their wellness.”

Sandeep Gautam, CHRO, National Engineering Industries Ltd said, “All our employees and their family members are part of the larger NEI family. Since the beginning of the pandemic, we have stood by our employees and their families through our well-being initiatives and programs. As we continue to navigate the pandemic, our support will continue through this vaccination phase since nothing is more important than health and well-being of our people.”

NEI has five manufacturing plants and several sales offices across India. During the pandemic, NEI’s leadership stood strong with all its employees. Several initiatives were launched including facilities to work-from-home, tests for covid, time-off for supporting family members, etc.

NEI has also been recently recognised as GPTW 'India's best companies to work for -2020 - Top 100'.
