About NBC

NBC Bearings, owned by National Engineering Industries (CKA Birla Group), was founded in 1946 in Jaipur as India's first bearings manufacturer. With over 75 years of expertise, it is now a leading global exporter known for precision, durability, and engineering excellence, serving over 30 countries. NBC is the only bearing manufacturer to receive the Deming Grand Prize for Total Quality Management.

Our Global Reach

NBC provides a wide range of bearings and associated service solutions to diverse industries such as Industrial, Automotive, Railways, and Aerospace. As a company that has been established for over 75+ years, NBC Bearings has an international presence with offices and R&D centers across the globe.

For us, engineering goes beyond manufacturing; it is the fusion of Product, Technology, and Services that makes us different and the most preferred choice of OEM customers worldwide.

National Engineering Industries Ltd.
